

# EDGE

## WARRANTY STATEMENT

Every piece of Edge is made with precision and attention to detail. Therefore we confidently offer a structural warranty for five years and a one year warranty for solid wood components.

Clear signs of abuse will void the warranty. This includes but is not limited to, impact damage, exposure to improper environments (flame, sun, water, etc.), and structural customization after delivery.

Solid wood parts are warranted for one year due to the natural properties of the material. Belair is not responsible for the natural deterioration of real wood products over time.

Each table's life span varies depending on usage, environment, and treatment over it's lifetime.

Recommendations for real wood products are to be kept out of direct sunlight in a climate-controlled environment. Prolonged exposure to the sun or overly dry/damp spaces may result in colour variation, cracking, or warping.

Belair's standard warranty for replacement and repair apply to Edge products.
